Centra System Update

During the summer, Contact North has updated our most popular system for delivering online classes: Centra. Please update your bookmarks if you have saved the login page on your computer. Learners can login to their LIVE classes in Centra using this link <http://e-channel-login.ca/> or directly through our website

- <http://goodlearninganywhere.com/login/>. If you have any issues logging into Centra, please call Contact North's technical help line toll free at 1-888-850-4628.

During the fall of 2013 you will also begin to hear that the familiar name we're used to, Centra, has been changed to Saba. We will replace the term Centra with Saba starting January 2014.
